Our Lady of Lourdes Feast Day

Every February, the school holds a religious activity called "Feast Day of Our Lady of Lourdes". Children can learn about the appearance and the virtues of Our Lady of Lourdes through the activity. Also, children can learn how to care for and help others, often for those in need. During the activity, the teacher will chant the Hail Mary with the students, sing praises to the Virgin Mary, and pray for the school, classmates, family members, and patients. Children will also create love cards for the Holy Mother to express their love.

共學共遊 愛上社區

現今幼兒教育已不再局限於學校,幼兒成長的社區也是資源豐富的教學場所。美國教育家杜威提倡「教育即生活」,而學生的生活則離不開社區,故此,本校為進一步加強與社區的連繫及合作,擴闊學生的視野及對社區的認識,我們積極安排幼兒於社區進行各種體驗,如:訪問不同國家的居民、到澳仔村了解漁民文化、到「綠在區區」收集點學習分類回收概念等。

我喜歡積極參與這些社區體驗活動,與幼兒及教師共學共遊,當中發現幼兒在充滿感官刺激的環境中探索,學習興趣及動機亦隨之提升,同時亦讓幼兒從小熟悉我們的南丫社區,知道自己是社區的一分子,並發展出對這片土地的熱愛。

親愛的家長及南丫居民,我在此邀請你們成為學校的合作伙伴,共同培育幼兒在南丫島上快樂地成長。

Play · Learn · Love Our Community

Nowadays, early childhood education is no longer limited to schools, and the communities in which young children grow up are also resourceful teaching places. American educator Dewey advocates that "Education is Life", and students' lives are inseparable from the community, so in order to further strengthen the connection and cooperation with the community, broaden students' horizons and understanding of the community, we actively arrange for children to have various experiences in the community, such as interviewing residents from different countries, learning about fishermen's culture in O Tsai Village, and learning the concept of sorting and recycling at the "GREEN@COMMUNITY" collection point.

I enjoy participating in these experiential learning activities with the children and teachers. Through these activities, I discovered that children explore in a sensory-stimulating environment, enhancing their interest and motivation for learning whilst also allowing them to get acquainted with our Lamma community from an early age. They know that they are part of the community and have developed a love for the island.

Dear parents and Lamma residents, I invite you to become partners in the school in order to help nurture children to grow up happily on Lamma Island.
